

AVI50222 DIPLOMA OF AVIATION (COMMERCIAL PILOT LICENCE - AEROPLANE)

RTO CODE: 45684 | CRICOS PROVIDER: 03913A | VERSION 1.0

LEARN TO FLY

#TheSkyIsCalling
**FULFIL YOUR DREAM TO
FLY PROFESSIONALLY**

Fulfil your dream to fly for a living with the **AVI50222 Diploma of Aviation (Commercial Pilot Licence - Aeroplane)** course. At Learn To Fly, we provide students with a flexible learning environment where they will experience a diverse range of flight training activities in accordance with regulatory requirements and delivery of the course syllabus.

Training is conducted at our state-of-the-art training facility at Moorabbin Airport in Melbourne.

This course is aimed at students with little or no prior flight training experience. The Integrated **CASA Part 142 training syllabus** will teach you key piloting skills including accurate and expeditious flight planning, safe and accurate aircraft operation, operational decision making, enhanced navigation techniques, and operation in complex airspace.

LEARN TO FLY

YOUR BOARDING PASS TO AN AVIATION CAREER

The **AVI50222 Diploma of Aviation (Commercial Pilot Licence - Aeroplane)** program follows Commercial Pilot Licence (CPL) syllabus, with additional subjects to even better prepare pilots for their entry into the aviation industry. On completion, students are eligible to obtain both a Commercial Pilot Licence (CPL) and Diploma certificate.

Along with highly experienced instructors, a modern aircraft fleet and state-of-the-art facilities, Learn To Fly students have access to **industry-leading professional development opportunities** and a range of additional rating and endorsement courses.

We also offer the AVI50519 Diploma of Aviation (Instrument Rating) course and an articulation pathway for Griffith University's Bachelor of Aviation program to even further enhance your career prospects.

COURSE DETAILS

Study Mode: Mixed Mode

Availability: Moorabbin (Melbourne, VIC)

Flight Training Hours: 150.3

Simulation Training Hours: 3.2

Duration: 60 weeks FT (includes 4 week break)

Intake: Refer to available intake dates on website

Cost: Refer to current tuition fee schedule on website. Non-refundable AUD\$1,500 enrolment fee applicable to international students. VET Student Loans available for eligible students

Prerequisites: At least 18 years of age, be able to meet the English language requirements outlined in the International Student Handbook (international students only), have an Aviation Reference Number (ARN)

LEARN TO FLY

COURSE UNITS 1/2)

AVIY0037 Operate at a controlled aerodrome

AVIY0055 Take off aeroplane

AVIY0054 Control aeroplane on the ground

AVIY0057 Land aeroplane

AVIE0006 Maintain aircraft radio communications

AVIY0056 Control aeroplane in normal flight

AVIY0083 Execute advanced aeroplane manoeuvres and procedures

AVIW0029 Manage pre and post-flight actions

AVIY0034 Operate in controlled airspace

AVIF0026 Implement Aviation risk management processes

AVIH0010 Plan a flight under visual flight rules

AVIH0014 Navigate aircraft under visual flight rules

AVIY0035 Operate in Class G airspace

AVIY0036 Operate at non-towered aerodromes

AVIF0030 Manage safe flight operations

COURSE UNITS 2/2)

- AVIW0032** Operate and manage aircraft systems
- AVIY0040** Apply aeronautical knowledge to aviation operations
- AVIY0047** Manage abnormal aeroplane flight situations
- AVIZ4001** Manage situational awareness in aircraft flight
- AVIF0027** Implement aviation fatigue risk management processes
- AVIY0058** Manage aircraft fuel
- AVIF0029** Implement threat and error management strategies
- AVIF0033** Manage aircraft passengers and cargo
- AVIF0035** Manage human factors in aviation operations
- AVIY0041** Apply the principles of civil air law to aviation operations
- AVIY0033** Operate aircraft using aircraft flight instruments
- AVIH0015** Plan a flight under night visual flight rules
- AVILIC003** Licence to operate commercial aeroplane
- AVIO0017** Manage disruptive behaviour and unlawful interference with aviation

OUR GRADUATE: COEN JOHNSTON

“Through Learn To Fly I completed my Commercial Pilot Licence, Diploma of Aviation and Instrument Rating. After completing the majority of my commercial training in Townsville I relocated to the main facility in Moorabbin where I transitioned from the Cessna 172 to the Diamond DA 40 with G1000, became familiar with the complex operating procedures around Melbourne and completed my final flight tests and studies. I am extremely grateful to those who allowed me to achieve my goal of attaining my CPL.” – Coen Johnston
